A Helping Hand

On Friday, December 4, Holmes Road will be helping Hope House put up Christmas decorations for the holidays. Hope House is an organization that helps children who come from families suffering with HIV and Aids. It is a great organization that we worked with this summer. This invitation is open for the whole congregation. If you are interested in participating please contact **Cameron Holland** for further information.

Grateful Hearts

There are certain people we thank in our prayers for things we appreciate so, but try as we may, we sometimes can't say the words that we want them to know. They're people who often go out of their way to pitch in when there's work to be done. They show understanding, they lighten our problems—they help us in more ways than one. There are certain people we thank in our prayers, and one of those people is you and this comes to say, "May God bless you forever for all you so thoughtfully do."
